Request for Proposals  
**Solicitation RFP 06-2019**

North Pole LNG Storage Facility  
**Natural Gas Metering and Regulating System Module**

**ADDENDUM NO. 1**

Issued 12/23/2019

Please make the following changes to the subject Request for Proposal (RFP):

**1. Section 1.0 Introduction and Instruction, Revise 1.3 Submission and Deadline for Receipt of Proposals last paragraph to read as follows:**

All proposals must be received by the close of business on **January 6, 2020**. Vendors responding by e-mail are encouraged to send a follow-up e-mail to confirm timely receipt by the Interior Gas Utility (IGU).

Any conflicts **or substantive changes** between the Vendors proposal and the specifications in this RFP must be **clearly described and noted in the proposal** so that it is brought to the attention of IGU for consideration prior to a potential award and contract. The Seller is obligated for all costs associated with meeting the requirements of the specifications as noted in the final negotiated contract.

**End of Addendum No. 1**
