Request for Bids  
IGU RFP 04-2019  
IGU North Pole LNG Storage Facility

Notice is hereby given that the Interior Gas Utility is requesting Bid Submittals on the above project to be constructed in North Pole, Alaska.

Submittal of Solicitation Documents will be received at the address above until 5:00 p.m., local time, on the following dates: March 14, 2019.

There will be a pre-bid conference at 10:00 a.m. on Friday, March 1, 2019, at the offices of PDC Engineers, 1028 Aurora Drive, Fairbanks, Alaska 99709. Attendance by telephone will be permitted for those interested bidders; the-call information for the pre-bid meeting will be posted on the FTP site noted below a minimum one week before the meeting.

The work generally consists of, but is not necessarily limited to, construction of an LNG truck off-loading facility, spill impoundment, containment and foundations for two 75,000-gallon bullet LNG tanks, a gas production module and a 1,840 sf building. The approximate estimated value of the work is in excess of \$5,000,000.

A complete set of Solicitation Documents for this project is available online at PDC's FTP site at this address: <https://pdceng.sharefile.com/d-sdd14040fbdd4b1f9>. Bidders must register at PDC by calling Kathy McCready at 452-1414 to be added to the plan holders list(s).
